The biennial Swanland Festival is run by the Swanland Village Association, which exists to encourage residents to work together to maintain and improve the quality of life in our village, by giving attention to those things which make a big difference.

- *Swanland Gardening Group*: maintain the lovely flower boxes throughout the village, especially around the pond.
- *Swanland Pond Partnership*: working with the Parish Council to regenerate the pond.
- *Pond area rotas*: weekly litter-picking and summer watering.
- *Swanland Village Website*: regularly updated. www.swanland.info/
- *SVA News*: 'The Voice of the Village'. Free to every house in the village
- *SVA noticeboards*: two by the pond and one by the shop –to keep the village informed of day to day activities.

All the work of the Association is carried out by volunteers and managed by a Committee which meets regularly and holds an annual general meeting each November which is open to all residents. You can find details of the Committee members through the link on the village website. In addition, we are always looking for volunteers in all areas of our work, and you would be very welcome.

We seek to encourage all Swanland residents to support this work by joining the Association, or renewing their membership, at this time, at a cost of £2 per person. To this end there is an application form on the reverse of this page, together with a Standing Order form for your bank. Standing Orders are preferred as the payments remain under your control. We would be grateful if you would start your standing order in January, (please use the first line of your address as the reference for the Standing Order). Please also fill in the membership form and return it to the Membership Secretary, Louise Macfarlane (address above) so that we know you have done this and can provide you with a membership card.

A fuller version of the application form, with detailed instructions, is available from the Membership Secretary, but the form overleaf is sufficient.
